DIRECTIONS:

From Cape Town:

R62 to Calitzdorp, turn right just after the Spar Supermarket in Calitzdorp. Drive through town and keep on going through the farm areas for about 18km. Before the tar-road becomes the cement road you will see the sign on your right. Turn right at the sign (KAROOWATER or Calitzdorp Spa sign). 3km to us on the left.

From Oudtshoorn:

Go on the R62 towards Calitzdorp. About 10km outside Oudtshoorn, turn left at the sign *Warmbad/Gamkaberg Nature Reserve*. Carry on for about 30km on the cement road. The cement road becomes a tar road and start looking out for the for the sign *KAROOWATER*. Turn left at the sign and drive for 3 km to us on the left.

Suggestion for Caravan-campers coming from Oudtshoorn.

Rather go on R62 to Calitzdorp and from there follow above directions from Calitzdorp. The old cement road is very bumpy for caravans. It is about 20km further.
